Certificate in Drugs Awareness

Length - 120 hours over a maximum of 6 months

Course Code
Y2NDA

WHO IS THE COURSE FOR?
This course is particularly useful for anyone seeking to gain a better understanding of drug use and abuse working in either a voluntary or professional capacity.

DESCRIPTION
This is a self study course which means you can study at home, workplace or wherever you choose at times that are convenient for you. You do not have any classes to attend.
The Certificate in Drugs Awareness is a Level 2 (QCF) qualification accredited by EDI. This is roughly equivalent to Level 5 in Scotland (SCQF).
This Level 2 Certificate course is designed to introduce the student to the area of drug use and misuse. It will also provide the student with the basic knowledge required to progress to a higher-level qualification.

Course Content

There are four modules within this course in the form of a Self-assessment Workbook and an Activity Workbook
This course is delivered through an appointed Distance Learning Tutor. Your appointed tutor will make contact with you as soon as you have the materials for the course. They will make regular contact to offer support and guidance, usually by e-mail but sometimes by phone to ensure you are making good progress and to support your learning throughout. You must be able to study independently through the course materials.

HOW WILL I BE ASSESSED?
This course is assessed by tutor marked coursework and an end test (40 question multiple-choice paper). The end test is sat under examination conditions and arranged by the **BSPL team**.

ENTRY REQUIREMENTS
Previous knowledge or experience would be of benefit but is not essential.
Please contact the **BSPL team** if you require any further information on entry requirements.

SPECIAL REQUIREMENTS
If you have any individual study needs please contact our Student Development Centre at 01224 612164.

COMMENTS
Whilst studying with Business Solutions & Part-Time Learning, you will have access to the **College Libraries**, and the **IT Centre**. You will be assigned a tutor who is a subject specialist in your chosen course. Your tutor is there to support you through the course, provide assistance with the online learning materials and give feedback on your assessments. You will also have technical

and administrative support from the **BSPL team**.

The Core Skills Analyser enables learners in Scotland to create their own core skills profile which they can print and save for their progress files or personal learning plans. You can assess your core skills by **clicking here**.
