Diploma in Child Psychology

Length - 180 Hours over a maximum of 12 months

Course Code
Y2NDC

WHO IS THE COURSE FOR?
This course is designed for people who wish to gain an understanding of Child Psychology and the development of children.

DESCRIPTION
This is a self study course which means you can study at home, workplace or wherever you choose at times that are convenient for you. You do not have any classes to attend.

The Diploma in Child Psychology is a Level 2 (QCF) qualification accredited by EDI. This is roughly equivalent to Level 5 in Scotland (SCQF).

By the end of the course students will develop:

- An awareness of psychological approaches to the understanding of child development;
- A recognition of the application of developmental psychology to certain aspects of child care and education;
- An awareness of different methodological approaches to psychological investigation; and
- A range of skills in using psychological methods

Course Content

The course is divided into two modules:

- Module 1: Major Developmental Issues
- Module 2:The Child as an Individual

The Diploma in Child Psychologyis a Level 2 qualification accredited by EDI.

HOW WILL I BE ASSESSED?
Assessment takes the form of a series of tutor marked assignments plus one extended essay.

COMMENTS
Please Note:

This Diploma is equivalent to GCSE/Standard Grade NOT University Level.

Aberdeen College has its own dedicated team of Guidance and Advisory professionals for the benefit of both current students and

anyone who is interested in becoming a student. Student Guidance and Advisory personnel are available throughout the year and are based in all the College's teaching centres, providing information, advice and confidential support services for all students. They are there to help students make informed decisions regarding their studies, and to help them deal with any difficulties that may arise.

To make an appointment to see a Student Adviser call into **Learner Services Reception** or telephone **01224 612284**. You can request further information by using the online Learner Services Enquiry Form.

Whilst studying with Business Solutions & Part-Time Learning, you will have access to the **College Libraries**, and the **IT Centre**. You will also have technical and administrative support from the **BSPL team**.

Please note that it is a requirement that all email communication between staff and students is made using college email accounts. This ensures that the college complies with Data Protection legislation and that information is accessed only by authorised users.

The prices quoted on this course leaflet are subject to change at any time so please check current prices when booking on/or enquiring about the course.
