

Certificate in Drugs Awareness

Length - 120 hours over a maximum of 6 months

Course Code

Y2NDA

WHO IS THE COURSE FOR?

This course is particularly useful for anyone seeking to gain a better understanding of drug use and abuse working in either a voluntary or professional capacity.

DESCRIPTION

This is a self study course which means you can study at home, workplace or wherever you choose at times that are convenient for you. You do not have any classes to attend.

The Certificate in Drugs Awareness is a Level 2 (QCF) qualification accredited by EDI. This is roughly equivalent to Level 5 in Scotland (SCQF).

This Level 2 Certificate course is designed to introduce the student to the area of drug use and misuse. It will also provide the student with the basic knowledge required to progress to a higher-level qualification.

Course Content

There are four modules within this course in the form of a Self-assessment Workbook and an Activity Workbook

The materials for this course are paper based and will be posted to you. You will be supported throughout the course by a specialist Distance Learning Tutor. Your tutor will contact you (via your Aberdeen College email account) within 7-10 working days of receiving your welcome letter and materials. As you progress they will continue to make regular contact to offer support and guidance, usually by e-mail but sometimes by phone, to ensure you are making good progress and to support your learning throughout. Please note that you must be able to study independently through the course materials.

HOW WILL I BE ASSESSED?

This course is assessed by tutor marked coursework and an end test (40 question multiple-choice paper). The end test is sat under examination conditions and arranged by the **BSPL team**.

ENTRY REQUIREMENTS

Previous knowledge or experience would be of benefit but is not essential.

Please contact the **BSPL team** if you require any further information on entry requirements.

SPECIAL REQUIREMENTS

If you have any individual study needs please contact our Student Development Centre at 01224 612164.

COMMENTS

Aberdeen College has its own dedicated team of Guidance and Advisory professionals for the benefit of both current students and anyone who is interested in becoming a student. Student Guidance and Advisory personnel are available throughout the year and

are based in all the College's teaching centres, providing information, advice and confidential support services for all students. They are there to help students make informed decisions regarding their studies, and to help them deal with any difficulties that may arise.

To make an appointment to see a Student Adviser call into **Learner Services Reception** or telephone **01224 612284**. You can request further information by using the online Learner Services Enquiry Form.

Whilst studying with Business Solutions & Part-Time Learning, you will have access to the **College Libraries**, and the **IT Centre**. You will also have technical and administrative support from the **BSPL team**.

Please note that it is a requirement that all email communication between staff and students is made using college email accounts. This ensures that the college complies with Data Protection legislation and that information is accessed only by authorised users.

The prices quoted on this course leaflet are subject to change at any time so please check current prices when booking on/or enquiring about the course.
