CQI Diploma in Quality Management: Quality Management: Unit 504

Length - 6 months

Course Code
Y2NLM

WHO IS THE COURSE FOR?
This professional qualification is aimed at those currently employed in a quality orientated role looking to increase their knowledge and improve their career prospects.

DESCRIPTION
This is a self study course which means you can study at home, workplace or wherever you choose at times that are convenient for you. You do not have any classes to attend.

Unit 504 - Quality Management Level 5 (exam)

The Diploma in quality develops an understanding of management principles, disciplines and techniques which are necessary to control a business or other organisation in order to produce a product or service of conforming quality.

To be able to apply quality management methods to all activities within the business or organisation.

For more information, download the   CQI Qualifications Learner Guide.

HOW WILL I BE ASSESSED?
Each unit will be assessed by either completing an assignment (tutor marked and verified by CQI Exam Board) or undertaking an examination. Please see individual unit descriptor for method of assessment.

ENTRY REQUIREMENTS
Ideally you should have a CQI Certificate in Quality or equivalent, as well as a good standard of Maths and English (GCSE, standard grade Maths and English or equivalent are advisable). You should also be currently working in a quality role or have access to work/liaise with your quality department.

SPECIAL REQUIREMENTS
If you have any individual study needs please contact our Student Development Centre on 01224 612164.

COMMENTS
Note: Onsuccessful completion of the Diploma in Quality Management you can use the designated letters '**DipQ**' as a suffix after your name, on successful completion you may also apply for corporate membership of the CQI, this carries the designated letters '**MCQI**' **MCQI** after the suffix of your name. This is important for anyone wishing to progress in the field of Quality.

The Diploma in Quality Management consists of 9 Core Units which all must be completed successfully to achieve the Diploma in Quality Management:
