Manufacture & Mechanical Maintenance (NC)

STUDY OPTIONS
Part-time

DESCRIPTION
The primary focus of this course is to provide candidates with a range of engineering skills (practical) and knowledge (theory) relevant to the National Certificates in Manufacturing & Mechanical Maintenance Engineering. As such this award is suitable for those candidates who wish to become a skilled crafts persons/trades persons. It is both workshop and classroom based, and is levelled at Intermediate 2 (SCQF 5). Students successfully completing all of the units over the two year programme would attain two National Certificates.

COURSE CONTENT
Course Content Includes

This is a selection of units delivered in course:-

Credit Value	SCQF Level	Product Code	Product Title
1	5	F3GB 11	Communications Core Skills Unit
1	5	F3HV 11	Mathematics: Craft 1
1	5	F5D6 11	Engineering: Using Information Technology
1	5	F5W7 11	Engineering Dimensional Control
1	5	F5W9 11	Engineering Materials
1	5	F5WD 11	Engineering Material Removal Principles
1	5	F5W8 11	Engineering Manufacturing Processes
1	5	F5FP 11	Graphical Engineering Communication
1	5	F5J4 11	Maintenance Safety
1	5	F5J2 11	Plant Installation

ENTRY REQUIREMENTS OR GUIDANCE REQUIRED
Entry Requirements: SVQ level 2 or Standard Grades (level 3) in Maths, English and Craft & Design/Skills for Work Engineering at Intermediate 1 or equivalent.

Guidance: Please note: Prospective students may need to provide evidence of having the required entry level/mathematic skill base

ADDITIONAL INFORMATION I.E. MATERIALS, EQUIPMENT ETC
Class will run at the Altens Centre

PROGRESSION
Success candidates can progess to either the NC Mechanical Engineering at SCQF level 6 or the Diploma in Engineering and Technology (day release). This course can be utilised within a Modern Apprentice training plan and as such may give successful candidates the opportunity to gain employment in the manufacture or maintenance sector.

REGISTER YOUR INTEREST

If this course is not currently offered at a location or time to suit you, please register an interest.

Once there is sufficient interest we´ll be in touch.
